

# Ton Dong A Corp. (GDA)

## 3Q25 – Domestic market supported earnings

### Export continued to decline, while domestic sales remained solid but faced rising competition

- In 3Q25, GDA recorded the revenue of VND3,680bn, -28.7% yoy. Total sales volume reached 188,848 tonnes, -6% yoy. While selling prices were somewhat less favorable than the previous quarter and the same period last year.
  - The **domestic market**: Amid the challenges in export, GDA shifted its focus to domestic market from 1Q25. In 3Q25, domestic sales volume reached 155,612 tonnes, +60% yoy, accounting for 82% of total sales volume (fig 3-4). The positive trend in domestic market was enhanced by (i) a low interest rate environment and (ii) a higher number of real estate projects were licensed in the previous quarters.
  - The **export market** continued to face an unfavorable quarter. In 3Q25, export volume was only 33,236 tonnes, -75% yoy, accounting for 18% of the total sales. Notably, the downward trend was observed across the main export markets (EU-US) due to:
    - (i) Excess supply in the Chinese market,
    - (ii) Weak demand from the US and EU,
    - (iii) Series of US trade protection measures on core steel products (import tax, CVD and AD),
    - (iv) Increased coated steel export from Hoa Phat to the EU, which intensified competition for quotas among other Vietnamese – exporters (fig 7).

#### Research Dept

researchdept@kisvn.vn

- Gross profit recorded VND197bn, -47% yoy, with gross margin of 5.4%, -1.9%ppt yoy or -2.6%ppt qoq. The decline in GM was attributed to (i) lower operational efficiency, (ii) intensifying price competition in domestic market amid export headwinds (fig 5-6) and (iii) a decrease in proportion of export sales, which typically carry higher gross margins (fig 7).
- However, NPAT came in at VND85bn, +58% yoy, supported by the contraction in selling expenses as export activities decreased (3Q24: VND281bn, 3Q25: VND67bn, -76% yoy).

## ■ Company overview

Ton Dong A Corporation (GDA) was established in 1998 and is one of Vietnam's leading manufacturers in the steel industry. The company specializes in the production and trading of coated steel products, including galvanized steel, galvalume steel, and pre-painted steel coils. Looking ahead, GDA is investing in a new galvanized steel sheet plant in Phú Mỹ with a design capacity of 1.2 million tons/year, which would bring its total capacity close to 2 million tons/year once completed.
